

I don't wanna miss a thing
by Aerosmith, 1998

I could stayjust to hear you
Watch you smile while you are,
While you are far away and,
I could spend my life in this sweet,
I could stay lost in this moment,
Where a moment spent with you is a moment I

Chorus

I don't want to close my eyes, I don't want to
Cause I'd miss you babe, and I don't want to miss a thing
Cause even when I dream of you, thedream will never do,
I'd still you baby and I don't wanna miss a thing
..... close to you feeling your heart,
And I 'm.....what you are dreaming,
Wondering if it's me you are seeing,
Then I kiss yourand thank god we're together,
I just want to stay with you in this forever and forever forever

(Chorus)

And I don't want to miss one,
I don't want to miss one,
I just want towith you right here with you,
Just like this, I just want toyou close,
I feel your heart so close to mine
And just stay here in this moment,
For all of theof time

(Chorus)
